

EXCELLENCE 2021 AWARDS

Congratulations to the 2021 NISOD Excellence Awards Recipients!

A membership organization committed to promoting and celebrating excellence in teaching, learning, and leadership at community and technical colleges.

Foreword

Since its beginning in 1978, NISOD has sought to serve, engage, and inspire higher education faculty, administrators, and staff. Our conference, resources, and publications reinforce the importance of teaching and leading and celebrate instructors, staff, and administrators who make good on the promise of the open door.

The NISOD Excellence Awards were established in 1991 to provide NISOD member colleges with an opportunity to recognize individuals doing extraordinary work on their campuses. Since then, more than 30,000 recipients have been honored with the Award by their colleges. Using their own criteria, NISOD member colleges submit the names of men and women each year who have demonstrated an outstanding commitment and contribution to their students and colleagues. All individuals whose names are submitted are recognized as NISOD Excellence Award recipients. Each Excellence Award recipient receives a unique silver medallion engraved with The University of Texas and NISOD insignias and adorned with a burnt orange ribbon.

The Excellence Awards tradition gives NISOD the distinct privilege of honoring so many of our community colleges' best educators. We are indebted to NISOD member colleges for their continuing support of this annual celebration. While the pomp and circumstance of the Excellence Awards Program is conducted with a refined touch, the overarching statement is that teaching and leading on the front lines of the community college mission rest on the shoulders of these outstanding individuals.

Congratulations 2021 NISOD Excellence Award Recipients!

Theodore Roosevelt said it best when he said, "Nobody cares how much you know, until they know how much you care." I believe that in order to teach most effectively, students need to know that we care about their struggles, goals, and futures.

—Amy Bohan, South Florida College

The Maricopa County Community College District (MCCCD) is an EEO/AA institution and an equal opportunity employer of protected veterans and individuals with disabilities. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, age, or national origin. A lack of English language skills will not be a barrier to admission and participation in the career and technical education programs of the District.

Great Leaders Develop Other Great Leaders, and Dr. Cameron Koch Does This Especially Well

Congratulations to DCCL faculty member and North Central Michigan University President (ret), Dr. Koch, for being both a successful leader and an inspiring teacher!

EXAMPLES OF WHAT FERRIS STUDENTS SAY ABOUT DR. KOCH

Dr. Koch is very supportive and incredibly knowledgeable and is a wonderful resource for students in the program."

"Cameron was great with responding to assignments in a timely fashion and her comments were very encouraging."

Dr. Koch did a great job, especially with the challenging format of having to use Zoom for the face to face sessions. She kept the discussion relevant, timely, interesting, and challenging."

Dr. Cameron is the best. She really helped me this semester. She is the example of doing all she can to help her students succeed. She is absolutely genuine and amazing."
